**LÄÄNE-TALLINNA
KESKHAIGLA**

Tallinn, Aug 6-7, 2010

Dear Colleagues and Friends,

On behalf of the Baltic Society of Phlebology, I have the honour to welcome you to Tallinn for the 2nd International Master Course in Phlebology.

This course follows the resounding success of the 1st International Sclerotherapy Master Course in Vilnius and many requests from physicians for a similar course for diagnostics and treatment of venous disease.

This two-day workshop is designed for the phlebologists, surgeons and vascular surgeons interested in ultrasound assessment of venous disease.

We are delighted to welcome Professor Eberhard Rabe, President of the International Union of Phlebology, President of the German Society of Phlebology and Dr. Felizitas Pannier, Vice-President of the International Union of Phlebology and President of the 51. Annual Meeting of the German Society of Phlebology in Aachen 2010, who will take part in this course.

This is an opportunity to learn the most accurate and updated techniques in ultrasound diagnostics of venous diseases from the world leading physicians in vein care.

All participants will have the opportunity to experience duplex ultrasound scanning on patients with different venous pathology during the hands-on session.

The emphasis will be on smaller number of participants and more opportunity for questions and discussions.

I look forward to seeing you during the 2nd International Master Course in Phlebology. I hope you will find time to visit Tallinn in summer.

A handwritten signature in blue ink, appearing to read 'U. Maurins'. The signature is fluid and cursive, with a long horizontal stroke at the end.

Dr. med. Uldis Maurins
President of the Baltic Society of Phlebology

2nd International Master Course in Phlebology

Duplex Ultrasound in Diagnosis and Treatment for the Phlebologists,
Surgeons and Vascular surgeons

Friday Aug 6 2010 4:00pm - 7:15pm

von Stackelberg Hotel Tallinn, Toompuiestee 23, Tallinn, Estonia

Saturday Aug 7 2010 8:30am - 4:00pm

West Tallinn Hospital, Paldiski mnt 68, Tallin, Estonia

Registration: The Duplex Ultrasound master course is limited to 32 practicing clinicians, with space available on a first-come, first-served basis. Registrations categories and fees are listed below.

To register, please visit the Baltic Society of Phlebology website at baltic-phlebology.org to download The Meeting Registration Form and after the completion send by fax at +371 67 241343.

For more info: +371 29 213773, e-mail: girts.maurins@flebomedika.lv,

2-Day Course: 250 EUR (Members of the Baltic Society of Phlebology 200 EUR)

Includes: course syllabus, dinner 6 Aug, breakfast, lunch 7 Aug, & refreshments.

Accommodations: On behalf of our meeting attendees, a special rate has been secured over the dates of the meeting of 64 EUR/night for single and 69 EUR for double occupancy at the **von Stackelberg Hotel Tallinn**. When making your reservation, please be sure to mention the key word: **DUPLEX**.

For reservations, please write e-mail to vsh@uniquestay.com or call the von Stackelberg Hotel Tallinn at +372 66 00 709.

Language: The official language of the course is **english**.

2nd International Master Course in Phlebology

Duplex Ultrasound in Diagnosis and Treatment for the Phlebologists,
Surgeons and Vascular surgeons

Day 1 (Friday, Aug 6 2010)

Ultrasound Techniques in Diagnosis and Treatment for the Phlebologists, Surgeons and Vascular surgeons

4:00pm	Registration
4:30pm - 4:35pm	Welcome of the participants
4:35pm – 5:05pm	Epidemiology and risk factors for varicose veins and CVI. Dr. F. Pannier
5:05pm – 6:05pm	Clinical and duplex anatomy of the lower extremity venous system. CEAP classification and VCSS. Prof. Dr. E. Rabe
6:05pm – 6:30pm	Coffee Break
6:30pm - 7:15pm	Duplex of the sapheno-femoral and sapheno-popliteal crosses. How to use ultrasound in vascular access (tips and tricks). Dr. U. Maurins
8:00pm	Dinner

Day 2 (Saturday, Aug 7 2010)

Ultrasound Techniques in Diagnosis and Treatment for the Phlebologists, Surgeons and Vascular surgeons

8:30am - 9:00am	Breakfast
9:00am - 9:30am	Ultrasound in the evaluation of venous insufficiency. Dr. U. Maurins
9:30am - 10:00am	Using ultrasound during endovenous procedures – foam sclerotherapy and laser ablation. Dr. F. Pannier
10:00am - 10:15am	Coffee Break
10:15am - 11:00am	Ultrasound in the evaluation of superficial and deep venous thrombosis. Prof. Dr. E. Rabe
11:00am - 11:30am	“How to do it”: Duplex work-up in one patient. Incorporating ultrasound results into a treatment plan. All Speakers
11:30am - 12:00am	Questions & answers
12:00am - 1:00pm	Lunch Break
1:00pm - 4:00pm	Practical demonstrations in rotating groups (each group of 6-8 doctors)
group 1	<i>Scanning for venous insufficiency – superficial system. Dr. F. Pannier</i>
group 2	<i>Scanning for venous insufficiency – deep system. Prof. Dr. E. Rabe</i>
group 3	<i>Scanning for incompetent perforators, GSV and SSV crosses, junctional tributaries and Giacomini vein. Dr. U. Maurins</i>
group 4	<i>Exercises on a model – vascular access</i>
4:00pm	Final Q & A

Upon completion of the course, each participant will receive an official certification of completion.
